He's never shown that sort of smile in front of me before.
Mayama Kaoru
真山薰
The man I like
我喜歡的男人
第二個兒子
真山秋生
2nd son
Mayama Akio
suddenly has two sons.
突然間有了兩個兒子。
第一個兒子
真山圭吾
1st son
Mayama Kei
Umm...
Hirasaka-san...
And then the man I like...
was easily taken away by the first son, just like that.
It's not that he's married
He's raising the two sons of his brother, who disappeared.

What is it, Akio-kun?
なで
なで
What the hell...

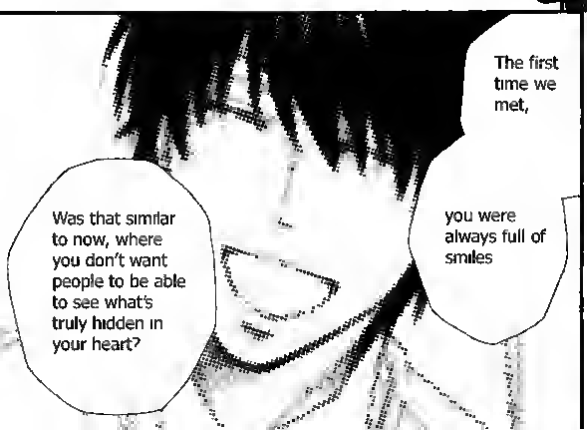
.....
... yeah, I guess so.
Hira... Hirasaka-san...
Don't tell me... he's actually trying to comfort me?
He's obviously just a stupid brat who doesn't understand a thing!
!!
!!
Do you feel like smiling now?
.....
I'll share a bite of my cake with you...
that is... after you take a bite of this...
because it's so tasty, you will feel better!

Oh, really? Really?
Aki also really likes Hirasaka-san!
Oh, really? Really?
Aki wants to get married with Hirasaka-san!
Akio-kun is so cute, I'm very pleased to be on friendly terms with him!
むぎゅ
married?!
...EHH?!
ちゅ
Akio-kun, it seems you're getting along great with Hirasaka san
Mayama.
Papa!!
...?

Hira-saka-san,
It's me, Aki
Please open the door.
I don't think I invited you over, did I?
Then...
after that, 10 years passed by...

Hirasaka-san is Aki's bride!
But we're getting married!
outsiders?
Akio!!!
you can't do that with outsiders!
... sorry, Hira-saka. Please don't pay attention to the actions of a kid.
It's no problem.
Let's see... so Akio-kun wants to get married with me?
Don't forget your words after 10 years pass, you little brat!
Nn! (Yes)

You should be considering if it's convenient or not for me!
Huh? Why??
I'm coming in.
Hey!
Who said you could come in?
Ah! This is the letter Papa wanted Aki to hand to Hirasaka-san regarding this matter.
Akio (15 years old)
秋生(15歲)
Nn! But Papa and Onii went on a trip, and they were worried about Aki being alone
so they told me to come over to Hirasaka-san's!
平坂大人
我和圭吾要出去旅行數日，
這段期間秋生就拜託你
照顧了。
養費我放在信封中
Hirasaka-sama
Keigo and I are going on a trip, so for the short-term, please take care of Akio. I've included money for food in this envelope
That little brat from back then has already become a high school student now...
My luggage will just go in its usual place~
Is it cuz he's spoiled rotten?!
ホロホロ
This freakin' brat!!!
He's become one selfish little brat!
Here, Hirasaka-san! Come sit here~
come sit by Aki!
Isn't this being a little over-protective?!?!
I'd understand if it was your daughter but your son is already in high school!



The first time we met,
you were always full of smiles
Was that similar to now, where you don't want people to be able to see what's truly hidden in your heart?

note: I don't really know how to translate this, it's a Chinese saying, literally "playing piano for a cow to listen to" like basically, he's totally not getting the point

Aki's getting-bullied.
No, that won't happen Be sure to get along with everyone.
But I don't know what they're thinking inside
If it were me, I would totally bully them, and even cause them to not want to come to school.

This kid didn't even try to get away from me.
And also, after seeing my true self....
But, indeed
since that day on, my heart has felt more at ease.
Is it because Akio-kun is always by my side?
Eventually
I stopped thinking about Miyama
.....
but it was only Aki that you allowed to see your true self... since that day,
my heart has always been reserved for only Hirasaka-san.
but it wasn't Papa, nor was it anyone else...
Even though your personality sucks!
Aiya!

Hey!
Wait a minute!
ガチャッ
Where are you going? Hirasaka-san?
Ahh! What are you doing?!?!
Don't throw Aki's luggage out!
Your personality... really, truly is the WORST!
I think you mean YOURS is! You little brat!

Akio...!!!
This time is Hirasaka-san's fault.
You can't allow yourself to have that sort of expression in front of someone who likes you

Marriage, huh.....
What are you talking about? Kids grow up so fast.
Forget girlfriend, he'll be bringing home a fiance before you know it!
He should be concentrating on his studies right now.
Wait, no! It's too early to have him getting involved in romance!
Yeah...
That's true...
I hope that kid can have a happy family.

Right - first let me apologize
While we were gone, you had to care for Akio-kun
because I heard from Akio-kun that you had already agreed ..
That little brat! He actually dares to lie!
Thanks, Mayama.
Was your trip fun?
Good work.
It was pretty nice, I haven't been able to idly pass time like that in a while.
After getting a "girlfriend", things should quiet down right?
But once your name is mentioned, that kid becomes obstinate and selfish
You probably have your own private life, right?
I'm already used to it.

Umm... can I come stay over at your place tonight again?
Hello, Hirasaka-san? It's me, Aki.
Where are you right now?
I just walked out of the company.
Hello?
His most precious son.....
precious son...
What??
Nothing, I was just thinking that you truly are like a father.
Well, of course!
Putting marriage aside...
As long as it's someone that kid has chosen for himself...
I will approve
After all, he is my precious son.
True...
Didn't you just come over very recently??
No!
But Papa and Onii both agreed to let me go...

No, I refuse to listen!
Hirasaka-san...
Wait... what is the meaning of this?
Why so suddenly ...?!
I'm telling you never to come over again, understand?
So, you should just give up on me now!

I'm going to an arranged marriage meeting.
Yeah, I have things of my own that I need to do.
Why not?
Do you have stuff planned already?
So I will no longer be able to take care of you as I did before.

Nothing happened really, I just decided it's about time to settle down.
Because! It's so sudden, it's strange.
Something must have happened, right?
OK now, so what did you want to say?
Are you that unhappy about my marriage meeting?
LIAR!
Akio...
Didn't I tell you not to come anymore?
Step aside: I'm not going to let you in!
You're too strict! Listen to what I have to say!
OK, OK... fine, come in then.
And why would I lie?
Because Hirasaka-san
likes me!

Don't under-estimate my true feelings!
Don't go making up stuff,
you think too highly of yourself!
Talking as if you understand me...
I DO under-stand!
As a 5 yr old who fell in love with an adult
I desperately tried to get you to understand my feelings...
I watched you continu-ously for 10 years!
If it's someone you don't like, you wouldn't let them stay by you...
And you defi-nitely wouldn't let them kiss you!
You wouldn't open up to them...
Aren't I right?

All I can do is back off!
Although I care a lot for you too,
Our age difference is just too great: we could be father and son!
even if I were a female...
normally, there'd still be some hesitation...
nothing.
Hirasaka-san!
What happened?
your dad already said that...
he said...
he hopes you can have a happy family...
It's just that...
just that...
Mayama...

You already gave me that sort of confession, how can I just let you go now?!
Don't stop me!
I'm not going to a marriage meeting!!
And also mention to Papa about us wanting to date
Please stop!
Of course I plan to ruin that damn marriage meeting!
Is that... a confession?
Eh?
Who is your date for this marriage meeting?
Papa should know, right?
Akio, what are you trying to do?
I lied
I wasn't ...
going to have any marriage meeting...

I want to make it so that you can never escape from me!
Nn.
Uwaaa?!
I mean to say, why do I need to allow you...
Wait a minute! Why did it suddenly become like that?!
Because,
If anything frustrating happens again, I will be quite annoyed.
Therefore,
Do you like me?
Nn.
Not going anywhere?
... Nn.
You're really not going...?
... Nn.
Can I hold you?

Ah!!
!!
Akio
Haa!
I can't wait any longer...
I'm putting it in now.
Nn
Nn
*note: I think this is like some slurping sound
Hirasaka-san,
Your face when you're doing H things...
is so cute
Glaring at me won't do a thing.
Ahh!!

Finally done it...
Morning, Hirasaka-san~! Is your body doing OK~?
Haa
Yaa
Ah!
You can't let anyone else hear them.
Such beautiful cries...
Ah!
Ahh!!
I won't let you run away from me again!
If you knew well enough to be concerned, get off me!
Sorry, sorry!
You went to make a phone call?
Nn! I had to report to Papa about me and Hirasaka-san's development!

BABY
I Love You
act II

Everything's fine!
I've already given Papa specific instructions to not say anything that will cause Hirasaka-san to be uncomfortable.
It doesn't matter what "face", Hirasaka-san is always adorable!
How am I supposed to face Mayama in the future?!?!
Why don't you just go die?!?!
You...
Hmf, you really shouldn't keep telling people to go die...
You really should just go die!
Why are you getting so angry?
You rascal...
BABY★I LOVE YOU act I: ♡END

Your relationships in the past have always been like this.
With both of you being male, I was already feeling uneasy
and you're still going to have that sort of attitude?
What kinda answer is that?!
At this time, you're supposed to answer "Yes, I am serious, please allow me to be together with Akio" right?!
Note: The 8 characters outside text box are a Chinese saying commonly used to describe nonstop nagging or nonstop talking
You're always like that, so loose and not serious at all, have you ever even been in actual love?
喋喋不休
嘮嘮叨叨
Just when your unfaithfulness is causing your partner heartache, you nonchalantly go and find your next partner!
The reason I could never get serious with other people is cuz I was always in love with you!!
我就是因為一直喜歡著你，才會沒有辦法對其他人認真的!!
Even if that's all true, so what?
Isn't that all stuff from 10 years ago?
Hirasaka!
You...
Are you serious about Akio?
Akio and I...
our relationship was found out by Mayama (Papa).
Yes... I think that he is very adorable.

So Hirasaka-san, come over to eat as well! <3
Is that so?
Your brother says we're having hot pot tonight.
Oh really?
He's completely different from his previous state of rage!
You need a big crowd of people to enjoy hot pot!
Literally, like obedient father Basically implies Mayama is totally led by Akio
Absolutely not!
Ne! Papa, can we?
Today's the weekend,
so we could just let him stay over as well!
Papa! Hirasaka-san!
Because it's close by, I came to pick you guys up!
heh
Akio, why are you here?
I'm hungry! Let's hurry back home!
To go on and on lecturing and nagging nonstop...
is the first sign that you are turning into an old man (ojisan), Mayama
What did you say??!!
I'm just worrying about my son from a father's standpoint!
Yes, yes, so sorry, almighty important father
What kinda attitude is that? Why are you always like that?!
Shouldn't you be heading back soon?

平坂因為工作很累了，就讓他回去吧。
唉——沒那回事吧!?
不…我…
你已經很累了，應該很想回家了吧？
那就這樣了，平坂！下禮拜見！
Wait a sec, what about Hirasaka-san?
We're going back, Akio!
唉…
how exhausting

Why not??
Hirasaka has his own plans already
He must!
Papa can stay with onii
And our house doesn't have a guest room he can stay in either
and Hira-saka-san with Aki, so no prob-lems right?
Simply fitting you and Keigo in was already very tight on space
You don't need to worry! We won't make love in your house!
Besides, I would never allow for someone else to hear Hirasaka-san's cute cries in bed.
Akio!!!

Did something happen between you two?
The person getting lectured afterwards will be me.
Of course it does.
Nothing much
I can show up here even without reason since we're already dating, right?
You should know your boundaries /when to stop!

Ding dong
You're here?
What's going on? It's already so late.
Please let me stay here.
Stay here? Did you get Mayama's permission?
It has nothing to do with Papa!
Akio...?

But you ARE on his side!
You don't even ask me for my reasons and you assume it's definitely my fault.
This isn't about whose side I'm standing on.
I'm just telling you not to worry him, that's all.
Fine, then let me hear your reasons now.
.....
.....
Why are you always on Papa's side?
I don't know what happened between you and Mayama
You coming to the office to pick him up obviously already makes him so happy
why can't you even do such a little thing properly??
Anyway, it must have been that you said something selfish again right?
Hurry up and go back to apologize to him!
But don't treat this as a place of escape!

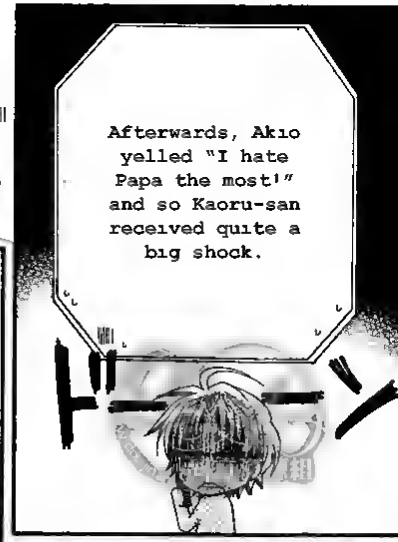
Akio???
Hey!!!
Aiya...
You see?
You can't even say anything for a reason.
Forget it...
I've had enough...
Mayama home

Solve your family problems within your family household.
Well, of course.
He didn't tell you the reason for their argument?
that kid...
Actually,
It was because of his situation with Hirasaka-san that he fought with Kaoru-san.

Uwaa?
Umm...
I'm very sorry but
Right now, Kaoru-san is hiding in his room and refuses to come out.
Actually, he just had a fight with

Hello! This is the Mayama residence.
Keigo?
This is Hirasaka, can you ask Mayama to come to the phone?

So that's why Akio ran over to my place huh?
The hell is that man doing?
Hm?
Akio is heading back?
It's no problem. I just told Akio to return home, so tell Mayama not to worry.
So Akio went to look for you, huh?
Sorry to inconvenience you.



Afterwards, Akio yelled "I hate Papa the most!" and so Kaoru-san received quite a big shock.

Once you think he's settled on someone, you find him with someone new yet again.
He's always like that, unable to stay committed or stay put.
To this day, I still haven't seen him be "serious" about anyone.
That guy's attitude treats love as something that's just for entertainment and fun.
Hirasaka is my friend, so I really don't wanna have to tell you this but
That "serious" -ness is a bit too strange
I really am a bit worried.
It's not that I'm against it, I'm just worried.
Then why can't he stay at our place?
Why are you against Aki and Hirasaka-san's relationship?
Because you are not of age yet, I hope that you two can have a relationship suitable for students for now, that's all.
We're very serious about each other, isn't that good enough?
What does a "relationship suitable for students" even look like?

You say he's serious about you, but I really...
Maybe it's cuz he's handsome and well liked?
He's always carefree about things like love...
Akio...
That thing about love for entertainment and fun, or about being carefree...
Don't judge him so easily!
Papa, you're Hirasaka-san's friend right?
Take that back!
You're always by his side
What have you been seeing in him all this time?
Hirasaka-san has always...
always...
always...

...?
... always what?
!!!
源組
IDIOT!

But Kaoru-san did not notice
That's something from 10 years ago.
Umm.. Hirasaka-san's feelings towards Kaoru-san...
I think Akio was so angry because of that as well
Now that you mention it, I actually bullied that kid about this in the past.
I actually unintentionally found out
I hate
papa the most!!!
It was as if it was his own business, that's how upset he was.

... Hey!
Sorry, I need to hang up now.
Eh?
Ah, ah.
OK
Then we leave Akio to you!
I have something I need to do.
You said that for my sake?
Do you know what sort of shock that guy got from that?
You told Mayama that you hated him.
I just called your home, they told me everything.

And he's your most treasured Papa as well.
... it's about Papa again?
Hirasaka-san, do you...
Why...?
still like Papa?
Yes, I do.
I didn't say all those harsh things because I disliked you.
Because we're long-time friends, right?
It's because I want you to learn to communi-cate in a better way.
I don't think Mayama was really trying to break us apart
Before he calms down, all you needed to do was be a quiet and obedient son
And yet instead, you ended up in a heated argument with him.

Because I like you!
Cuz...
OK, I got it. Get up.
We can't kiss here.
Let's go home.
I've been scolded by him in the past about those same things, but I've never taken it to heart.
To me, that's as serious as I was willing to take it.
So why did you have to get so angry about it?

Don't cry anymore
Your eyes are getting all swollen.

As long as you understand
My feelings right now
That's enough.
Because Papa, he...
completely doesn't understand Hirasaka-san
It's OK that way.
That is all in the past.
If you go home with your face looking like that
I'm going to get lectured by Mayama—
Don't say anymore!
Stop saying Papa's name!
Akio...

Haa...
My usual routine/life style gets jumbled up.
Haa!
As long as I'm with Akio...
It's always been like this...
Ah!
Hirasaka-san...
Ah! Ahh...!
...Nn...
Nn!
Nn...
I can't believe I actually said something that was totally unlike me...
Hirasaka-san...

Haa!
Haa!
Ah!
!!
Ah!
Ah ah!

Like you.
Like you.
Like you.
Like you.
Nn!!
!!
I really like you!

I'm sorry, I've worried you all!!
No, I'm the one who's sorry, saying such harsh things to you.
Akio!!
Sorry, Papa, I said such terrible things to you.
But Aki hopes you can understand.
But it's because I value you, that's why I said those things.
So from now on, my relationship with Hirasaka-san will emulate Papa's!
Nn! Aki knows!
Yet it's as if he matches me perfectly well.
Hirasaka-san...
He's just a 15 year old brat...

Aki will definitely emulate it!

Emulate?

Nn!!

嘿嘿

*hehe

Papa was sleeping with Onii since Onii was a high school student right?

Akio!!!

Kaoru-san shut himself inside his room again and refused to come out.

That day

BABY★I LOVE YOU act II ♡END

BABY I Love You act III

You won't engage in any remotely intimate activity, at all!
I'm not upset over THAT
But I am very upset over Hirasaka-san's attitude!
I only denied sleeping with you, why do you need to hold such a grudge?!
Well, aren't I sending you home like this now?
and I'm even holding hands with you like this, so please stop holding a grudge against me!
You don't even know how much energy I have to expend to control you!
Why do you have to say it like that?!

I was not wrong!

Give me a good-night kiss!
Uwaa?!
This little request isn't much right?
On the forehead would be OK too, just give me a kiss please!
Wait, Hirasaka-san!
OK, we're at the bus stop, hurry and go back!
stare

Because we are so in love with each other, of course we should be wanting to go to bed regardless of the time or place, right?!
Don't say it so matter-of-fact!
We're so much in love!
Meow
If you think of me as the same as you, then you are completely wrong!
I'm already getting up there in age,
My body strength isn't the same anymore, easily worn out, and work is exhausting (moreover, I'm the uke)
It's quite the headache to be assumed to have the same energy level as a 15 year old!
Even if I said it, he still wouldn't get it huh.
What
What is that supposed to mean?

Goodbye! Go straight home!
Hirasaka-san,
I'll text you when I get home!!
Ah, yes thank you
Morning!
What's wrong?
If there's anything the matter, just say it.
Is that the attitude of "nothing"?
No-nothing!! It's nothing...!!
Morning,
Already having problems so early in the morning?
Oh! Good morning, Mayama.

It was Akio who wouldn't let me go for the life of me.
Oh, I know.
That's why I spoke up for you!
... Let me say first...
Is that how it was?? I'm sorry!
It's fine, no worries!
That was so embarassing! I got it all wrong!
At the bus stop, I saw Hirasaka-san and a boy... how do I say this...
being a little bit intimate, so it gave me a scare...
Don't tell me...
It's just that...
Yesterday...
It made me feel a bit depressed
Because she won't even make eye contact with me...
Ha ha ha
Oh, really?
Yes... I'm sorry!! I didn't mean to!!
That is my son.
Was it Akio?!
Huh?
Akio?
Ever since Akio was a kid, Hirasaka has taken care of him, pretty much like a family member.
Mayama-san's?
So it's probably because of this... Akio likes to act spoiled in front of Hirasaka, but it's purely a familial love.
Even if it's so...
At least it didn't develop into some great disturbance, but still..
I didn't think me and Akio would be discovered by people at work
It sure causes an uncomfortable feeling!

Hirasaka-san!!
Akio...
Hehe, I'm here!
Let me tell you, this upcoming break...
Don't touch me!
What's wrong? Are you angry?
Don't be so touchy feely outside
If it's discovered that I'm dating such a kid, I'll be very bothered!
You should really consider my point-of-view you know!!
Then...
Hirasaka-san should also be more considerate of Aki too...
There are things that make me uneasy as well!
You always use that cold tone with me, right off the bat...
And last time you even said not to think of you as the same as me, you're really mean!

You knew what type of guy I was and you still agreed to date me, right??
So if you're really that fed up with my attitude,
Then why don't you get someone new who will just cater to your selfish demands?
That last bit REALLY pissed me off!
Just now...
Nn... thanks!
No, it's nothing
I just suddenly wanted to see your face, that's all.
Ah, hello? This is Akio.
Where are you right now?
Can I go over there too?
Hm?
No, nothing much.
Ah, but be sure to wait there til I get there! Don't go off!
Abso-lutely, OK?
Nn! Nn!
Then I'll be right over. <3
嘟嘟嘟
(hang up)

Hirasaka, what the hell did you do to Akio?!
To what are you referring?
Before, he would never stop talking about you, day in and day out...
But lately, he absolutely refuses to mention your name or anything related to you.
That damn cruel brat...!!!
... That ...
Goodbye.
... Hirasaka-san.
If you don't plan to say a single word of apology,
Aki will not forgive you.

Purposefully showing up here in front of me
Who would fall for that?!
Trying to trigger my uneasiness, you're too obvious!
Are you planning on completely ignoring my existence here?!
Thank you Papa! I'll give you a call when I'm heading back
Be careful on the way
.....
My Papa said it's fine! So then...
Thanks for waiting!
Then, Papa, Aki will be leaving now!

Papa~!!
Exactly what is going on?
If you dare cause that kid to cry, I will not go easy on you!
Shut up! You whipped parent!
ゴゴゴ!!
What's up, Akio?
How come you came to the company?
That's not a problem.
Aki is going to go out with some friends, so I wanted to obtain Papa's consent
Can I return home a bit later tonight?

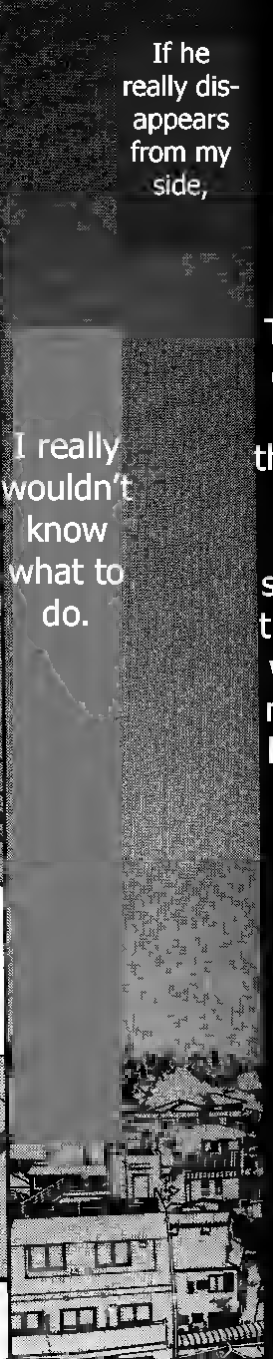
Calm down ...
He's just trying to provoke me, that's all.
How dare you have that sort of attitude in front of me!!
Don't let friends get that close to you!
Laughing in such a carefree, open way
Hey, hey, wait a minut-!
That's being just a little bit too intimate there, now isn't it?

Since we've already been together for 10 years
We understand each other very well
We wouldn't split up just because of a little thing, right?
He's doing it on purpose
He's doing it on purpose
He sure is childish
I'll just ignore him, eventually my mind will cool down...
You don't feel good?
What's wrong, Hirasaka?
Ah... a little.
Let me see...
Seems you have a bit of a fever
You should go home early and rest.
I can't believe you can do this without feeling a bit embarassed.
Eh? Of course.
Because it's you.

If he really disappears from my side,

I really wouldn't know what to do.

To this day, I never thought even for a second that he would not be by my side.



... that's not with me.

This is a first... for it to become like this.

But today, his family has all gone out, so there's no one at home
So it'll be just us two.
Hey! Are you listening, Hirasaka-san?
Why don't you say anything?

Papa told me to come see you that's the only reason I came
I'm going back immediately.
Onii made soup and told me to bring it, so eat it yourself later.
We text each other daily and I'm super happy.
It's the guy you saw last time
He invited me over.
He always says stuff like he wants to stay together longer.
K, then I'm leaving...
I'm going to go stay over at someone's house tonight.

... what?
If you have something to say, just say it.
If you don't say it, I will not understand it.
So unless you say it, your partner can never understand, get it?

I'm really going to leave right now!
Aki is going now!
... hn?!

don't go...
... Akio.
Why didn't you say that earlier?!
Idiot!!!

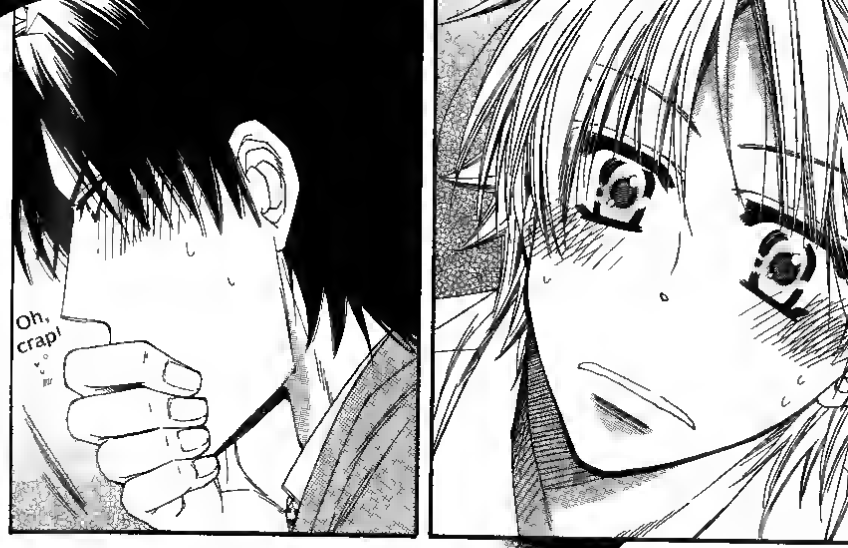
Don't yell into a sick person's ear.
I thought that this way, my feelings were completely transmitted to you...
I thought that as long as I stay by you like this, even without saying anything
You would understand my feelings.

It was clearly you who wanted me to catch on,
Idiot!!
Idiot!!
Yet look at what happened to you?!
Hirasaka-san is a giant idiot--

How can you possibly be so darn cute?!
After I caused him to cry like this,
He still wants to hear those words from me...
How far is the extent of your love for me???
This silly kid...
Aki completely gets it.
As long as it's about Hirasaka-san, Aki gets it completely.
... I got it.
Am I too selfish?
So no matter what you say or what you do, as long as you're willing to be with me
that means that you like me. But even though I knew that...
I still wish that I could hear you put your feelings into words too.

I didn't even figure that out til now.
... Nn!
How stupid am I?
As long as Akio is by my side, I'll feel at ease.
Don't go to anyone's house...
Didn't you bring it?
The soup for visiting me.
I...
can't...
Akio,
go warm up the soup for me
Hn?
be without you.

The cute one is obviously you!
You're such a liar.
You even fell ill!
That was just because I wasn't feeling good!
Ay, forget it.
I got to see Hirasaka-san's cute side too. <3
What are you saying?!
Akio,
Stop acting like that, don't give me that look!
hmph!
Because you just keep saying the same stuff over and over, I'm tired of it!
Why don't you listen to Aki when he is talking?
Isn't it Hirasaka-san's fault?
Who's feeling uneasy?
The childish tricks you brats play, I saw right through them!
Because if I don't make it clear that I was purposefully getting close to my friend,
Hirasaka-san will feel uneasy!



As if you need to say that?

Saying that sort of obvious stuff now

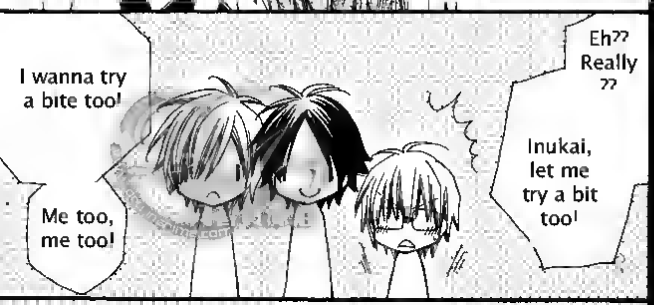
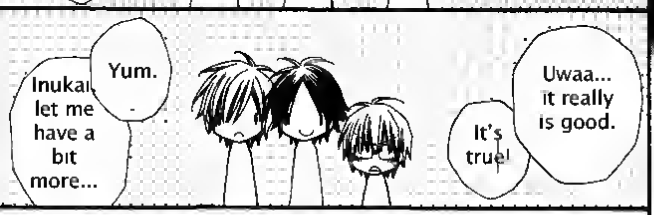
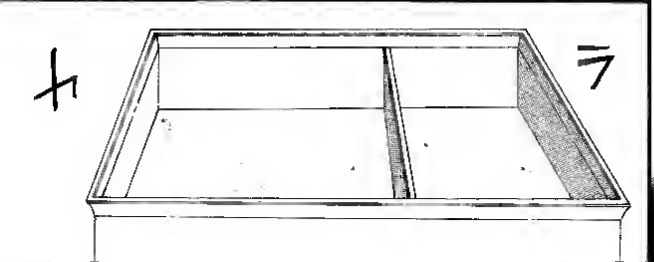
公主與狗

Princess and Dog

Your mom sure does know how to cook!
If you had to say good things about someone like me...
Inukai's bento sure looks delicious!
Could you let me try a piece?
Yes... yes! Please do!
Eh?!
This is handmade by Inukai?!
Hi-Himeno ?!
No -- no, that's ...
This... I made this actually.
Right now, next to me
I really wish I could be like him...
Open, sociable, and also handsome
He's the complete opposite of me, who can't even get one friend.
Although it hasn't been long since entering high school
He was instantly surrounded by a crowd of people



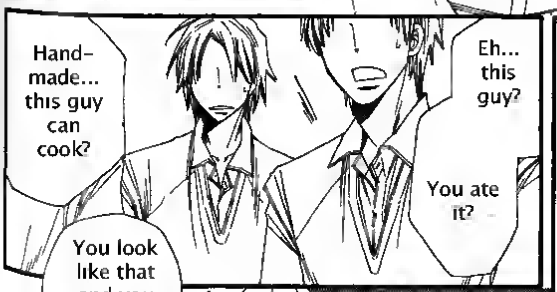




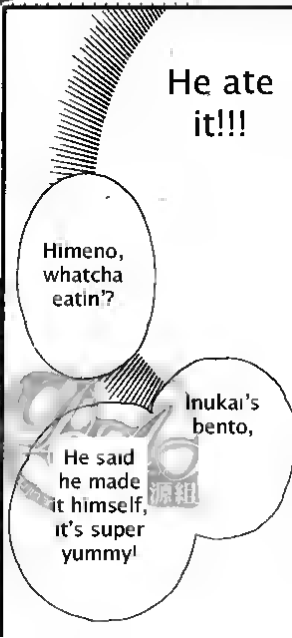
Because this feminine interest of mine clashes greatly with my outward appearance...

I often get called "disgusting" by other people and other similar names...

and they keep me at a respectful distance.



You look like that and you can cook?
Is it really hand-made?
I am clumsy with words, but for the person I like, I can do it
Speaking of my strengths, they are cooking and tailoring



Because Inukai is so good at studying, and you're quiet and poised,
ぱくっ
It made me a little bit timid.
Ah! ... Thank you!
You're welcome.
If only I knew earlier that I could chat with you so easily!
I was always looking for a chance
Did you know that?
ドキ...
How in the world did he manage to describe me in such a positive light?!
How are you being timid? I think that that's me...

Those rascals sure don't know how to hold back!
ぱくっ
That... That is not Himeno's fault!
I'm so sorry! I only meant to get a bite from you...
Eh.... ah! Wha... What is it?
Here!
I really like it myself!
This is kinda like repayment
Although it completely can't compare to your bento, but it's also quite delicious

So... so, Himeno...
Can I ask you some-thing?
What?
If you don't mind, would you like to try some...
But... well, I say it's cake but it's really just a plain thing.
Umm... for today's dessert, I made cake.

In an instant, my heart was swept away by him.

The smile that I admired so much is right in front of me, and it's for me alone to see...

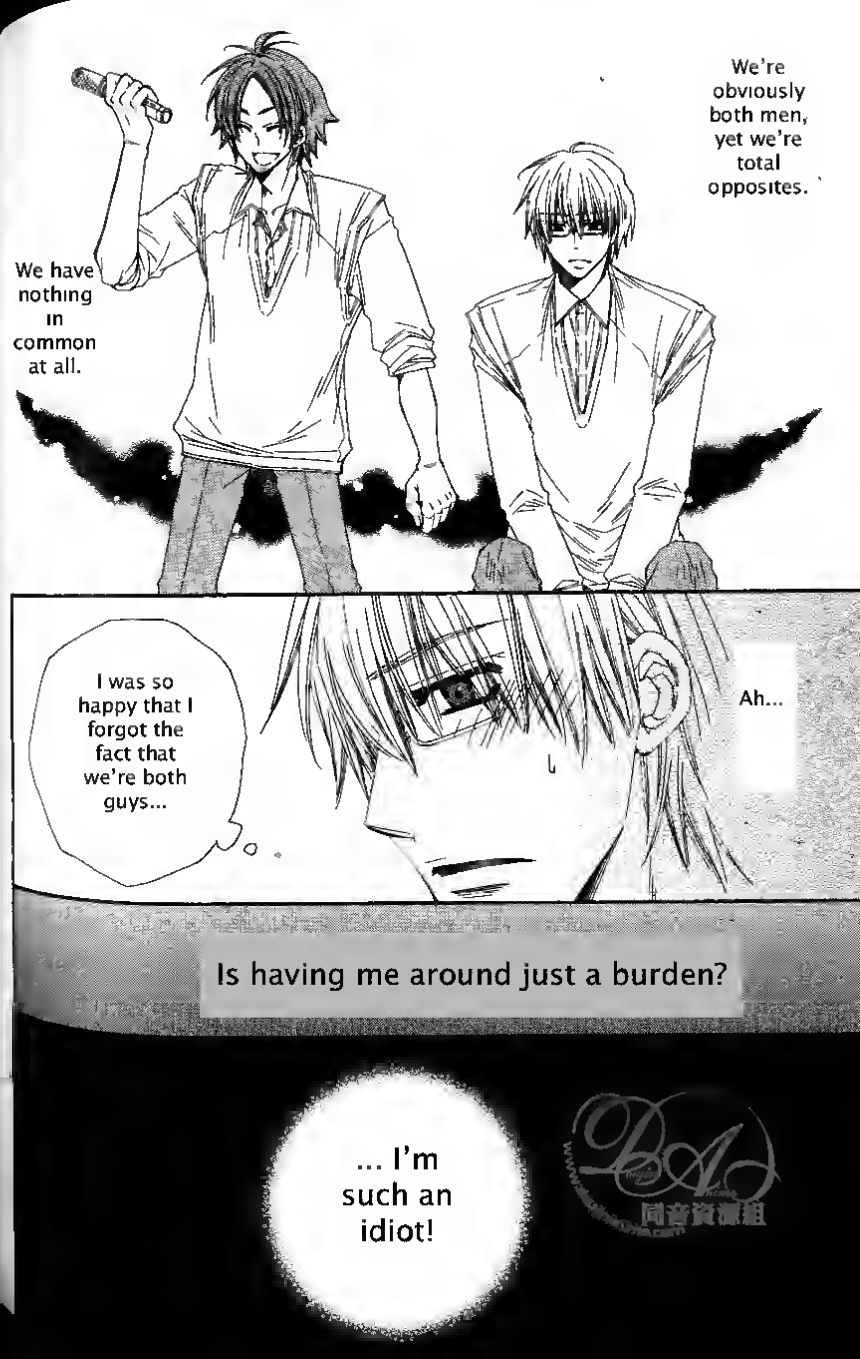
The effect is too strong.

Ah...
I am really feeling the happiness of friendship.
Inukai, don't pay attention to this punk's words!
Eh? Ah... yes!
Himeno, why did you take it so seriously?
Am I getting closer to him...?
Ka... Karaoke?!
You don't like it?
No, no...
It's not that I don't like it.
OK! Then it's decided.
He... he's asking me to go out!!
Oh, Inukai, do you have time today?
Ah! Yes, I do.
Then, want to go karaoke together?
girly interests
It's... it's great! He's really happy, he accepted it!
Inukai's amazing~ he can even make this sort of stuff
It's so ador-able!!!
I hate eating sweets!
Please marry me!
Yum, yum
Hey!!
But they're already cold, I'm sorry!
I figured that, so I made croquettes for Wakamiya
Ah!

It's like the "beauty and the beast" huh!
But, I never thought that Himeno and Inukai would become so close!
Your looks & personalities are total opposites!
Himeno always did like Inukai...
Wakamiya!!!
That's true...
Eh? No, aren't you the "princess"?
Who are you calling the "beast"?!
...but...
Eh? Because it's Himeno's treat, isn't it?
Why are you guys here too?!
We just came along cuz we felt like it.
Relax, we know ..
Because he made so many things for me to eat, so I wanted to thank him
I was only asking Inukai to come!
Let's go together then!
It's great!
I am quickly shortening the distance between us two!

Is there an artist you like?
I'm not too sure...
Inukai, decide on a song to sing yet?
How about kid's songs? Like The Bear in the Forest, or something.
No... no I haven't yet.
Ah... if it's that, then I might know it.
You guys better sing along!
Come on, Inukai!
... crap ...
I troubled him again.
Waut a second! Don't suddenly pull that on us, Himeno!
No, quite the oppo-site! It'll be fun!
The Bear in the Forest is quite a stir up!
Are you kidding me? Singing kid's songs is a bit much...
Ah-ha-ha-hahaha
Did I get it all wrong ?
Himeno always took notice of that
because he's so caring
Really ...
I always felt that it was only after he approached me that we got to know each other better.
Yes, yes
You! Don't make things worse!
But anyway,
In the beginning, Inukai never talked
So we were unable to get close and befriend you
It turns out he was always noticing me and caring for me.
And I was so proud of myself for making cake
in order to get closer to Himeno...
Really ...

Ah..... yes! What is it?
Um... how about we escape first, just the two of us?
Inukai.
嘯
You still want to sing?
sneak away?!
Eh?!
But... but...
キュッ
No! I...
Really?
Relax, just leave this place to Waka-miya.
Let's go!!



We're obviously both men, yet we're total opposites.
We have nothing in common at all.
I was so happy that I forgot the fact that we're both guys...
Ah...
Is having me around just a burden?
... I'm such an idiot!

It... it's okay for you to leave me alone here
You don't need to spend so much effort to take care of me
I'll be OK.
I feel that it'd still be better for Himeno to head back to join the rest of the group
I didn't think those guys would all tag along
It sure gave me a scare
Ah~~ the stillness outside is so great!
I'm not the kind of good kid...
... what's that sup-posed to mean?
that Inukai thinks I am.
Ah..
Um,
But...
But we can finally be alone now!

Because I...
get close to people with some intentions behind my actions.
So, aimlessly finding you to chat
getting close to you
finding chances
like holding Inukai's hand like this, it is all part of a big plan...
Ever since I sat next to Inukai I'd always been watching you
I envy your height
and admire your studiousness
I always wanted to ask why you refused to look at me.
If only you would turn and look at me
If you were willing to smile at me
If only you were willing to become mine...
No, it wouldn't be a good idea.

Wild beast...?!!
In front of Inukai,
No... no, that's fine...
They said we're like the beauty & the beast, that's not totally untrue...
It seems I become the "wild beast"
That I would die!!
Because that way I would feel so happy
Because that is how I always felt about Himeno.
Plus, I'm a guy.
Besides, someone like me could never match up with someone like Himeno...
Uwa~ I can't take it!
I fever-ishly did this sort of thing!
Hi... Himeno?
I'm sorry!!!
We were a match made at first sight!
That's unre-lated!

Then, again. Close your eyes this time.
Like this. ..
... do you not like it?

BA

ヒリ
... Oh!
Hi... Himeno ?!
Wait...

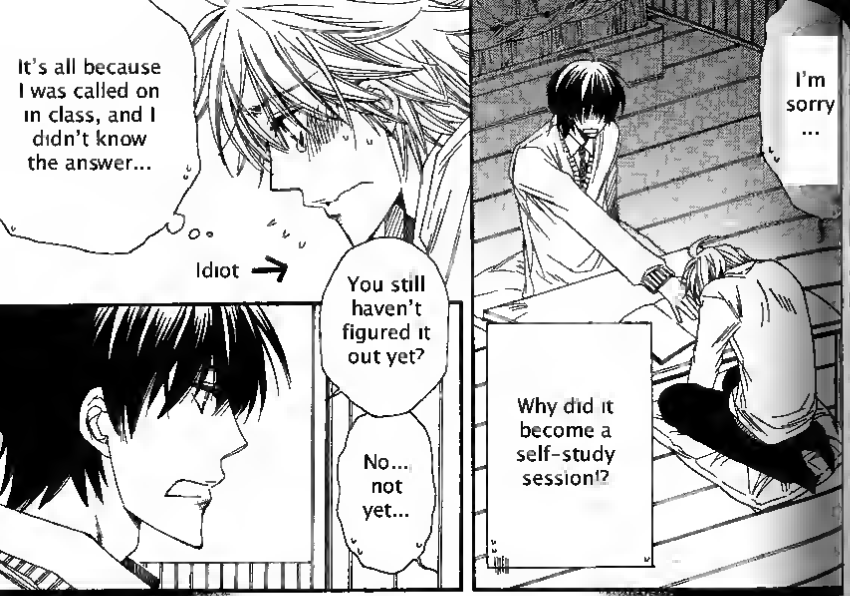
To think that such a guy also has impulsive moments

makes me think that the Himeno that is like this is also kind of cool.

說喜歡你
say "I like you"



It's all because I was called on in class, and I didn't know the answer...
Idiot
You still haven't figured it out yet?
No... not yet...
I'm sorry ...
Why did it become a self-study session!?

嘖!
But I completely do not feel any love!
He... he clicked his tongue!
Because I really, really liked him, so I found a way to attach myself to him

I originally thought
Today, I would definitely work straight to the end with Suzuhara.

I finally managed to convince him to come over to my house to play, yet...
Hayama,
Do you have any idea how long it takes you to solve even one problem?!
---- but ...

Not a single bit of progress! Even I can't take it anymore...
But it took us 2 months to get to hold hands, and another 2 months to kiss
I finally got him into my bedroom and we end up studying.
I love that about Suzuhara!
Are you trying to show off?
No!!! This has nothing to do with showing off!
Are you trying to pick a fight with me, who just got dumped?!
Then what? Playful/flirty bantering?

... oh, geez. What am I to do with you?
Hey! Hayama!
Even though you can't solve it, there's no need to cry, right?!
Why would I cry over that...
No, it's not that...
It... it can't be that I'm hated, right?
Suzuhara is very studious and hard working
also,
No matter what, he will always help me because he is so kind.
Here, so over here you need to use this method...

Xiao Mei?!
Cheating,
Cheating, that's what. Can't you tell?
if you want a boy-friend, I suggest you look for a better one, Xiao Mei
Suzu-hara!!
Suzu-hara..
The commit-tee meeting is over?
Nn.
See you later, Xiao Mei
Then... wanna go home together?
Nn.

Since it's like that, why don't you test it out?
Like, ask him "If I like someone else, what would you do?"
That's right! You little homo!
I'm trying to have a discussion with you!
I can't talk about these things with anyone besides Xiao Mei!
You're so mean, Xiao Mei!
Does Suzuhara not like me?
He only agreed to date me out of pity...?
You're so cruel! Why do you always say stuff like that?!
Make him think "Uwaa! You're so annoying!" and hurry up and break up!!!
What are you guys doing?
Because I'm pissed!
As long as you have a partner, you should be thankful!

Wait...
Wait, Hayama.
Umm...
Actually...
If I had someone else that I like,
What would you do...?

... no way, right?
... but
Suzuhara... he doesn't mind about me and Xiao Mei, right?
When I'm alone with a girl
Shouldn't he at least ask "What were you doing"?
"Since it's like that, why don't you test it out?
"Like, ask him 'If I like someone else, what would you do?'"
He's not interested in me?

Goodbye, Hayama
Thank you for everything
Eh?!
Wait...
Wait a second!
I was only saying "what if"!!!

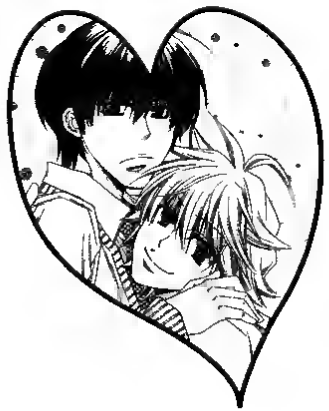
Just tell me directly you want to break up, that's fine.
You don't need to tell me this in such a roundabout way
I suspected a long time ago that there would be a day you'd say this eventually
so I'll be OK.

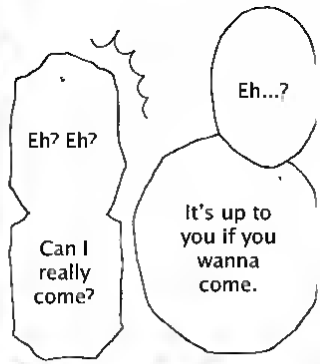
Break up!
Although I kinda expected it...
So direct!

But... but when you came over, you're always studying there's no romantic mood at all...
What's wrong with studying?!
I was only trying to help you out...
Because your brain sure works terribly.
ガシッ
Besides,
What about you?
Every day in class, you're always sneaking little peeks at me
actually, towards me--
What are you saying? If I didn't, why would I be dating you?
Moron!
Eh..
Eh?
Suzuhara, you like me?
Wa?!
Of course it's because you dumped me!
Why are you crying?!

Oh!!!
Why'd you hit me?!
Because you did something like that in such a public place!
Moron!
I'm so sorry, I made you cry
... if it's at home
then it would be fine...
.....

I like you!!!
Like!
Like!
I was lying when I said there was someone else I liked.
Because I always felt uneasy,
So I only paid attention to myself.





After sharing countless kisses in Suzuhara's room,

but even so, I was very happy.

It became a study session again.

說喜歡你♥ ♤END

謝謝您買了這本書。
這個故事是「我愛巴比♡」這本單行本的延續故事，
如果可以的話，請您也看看那本吧♥
裡面有非常多的正太秋生喔。

三島一花

「公主與狗」
名字也是直接沿用姬和犬。
不過篇名中的公主是犬養、而狗是姬野。
既然在畫完之後，要賦予姬的名字的話，
應該要將他的臉畫得更嬌嫩一點才對的，有點後悔。
因為我很喜歡畫小孩子，
學園類的真的很萌耶（燃燒）。
故事也畫得挺可愛的嘛——
如此沾沾自喜。

「說喜歡我♥」
這是在其他雜誌上畫的作品收錄進來的。
我記得好像是傲嬌特集之類的樣子。
傻泷子×優等生。
攻是個愛哭鬼又懦弱是基本設定。
總覺得最近畫很拚命在努力的純情故事非常開心。
雖然也有女生角色，不過我把小梅畫得挺可愛的嘛——
如此老王賣瓜。

「BABY★I LOVE YOU」
我至今畫了很多年齡相差 15～17 歲左右的配對，
不過在這之中，這是年齡相差最多的一對了。
我很喜歡已經有點年紀的男人這樣那樣的被一個小鬼ＸＯＸＯ的故事，這有稍一下就被壓倒也很棒。
現在我自己一個人在舉辦正太祭，能夠畫屁顛屁顛的小秋生真的是太幸福了。
還有，不只是受，連攻的性格也很機車，畫起來真的是大快樂了。
因為我很不擅長畫親熱畫面，所以平常都很少在畫，不過這次我很後悔，要是能夠讓平洪再多一點嬌喘聲就好了、要是再多做一點惹他生氣的事情就好了。

閱讀到這裡的人，謝謝你們。
如果可以告訴我你們的感想的話，將是我最開心的事。
